Dear fellow TLPCA members,

It is an honor to be President of the TLPCA and I appreciate your trust. The past few years have seen a renewed enthusiasm and participation by our members. The spirit to give time, money, and expertise to move the TLPCA forward has strong momentum. This in turn brings new ideas to help TLPCA further our trade and our future.

One recently completed project is the Stucco Inspection Checklist. This tool was a collaborative effort by contractor members to ensure all measures are taken to assure a quality outcome for the GC, architect, and owner. Please consider using this resource when attending pre-construction meetings or other meetings.

Another program in development is a high school vocational program to introduce students to our trade. The curriculum will be focused on the very basics of the trade; terms, tools, demos, and hands-on experience. While this is not as in-depth as a formal apprentice program, the goal is to provide students with an awareness and desire to join our trade. We know the rewards and satisfaction of this industry and want them to know we’re here. Also, the contractors that hire these students after course completion will have a faster start-up time for them than someone ‘off the street’.

Another change for this year is Ed Hiller, formerly with Parex USA, has agreed to work on behalf of the TLPCA. He will promote stucco and EIFS to local municipalities to improve knowledge by building officials. Ed will also assist as a technical advisor for those who could use some help.

As you can see, we are moving forward. You can be assured; you have my full commitment to this association and trade. If I can help, please contact me.

Respectfully,

Joe Kerlee (Quikrete Companies)
TLPCA President 2019—2020

Register today for the Annual Fall Weekend Larry Trusty Memorial Fishing Tournament to be held Friday and Saturday, September 20—21, 2019 at Lake Texoma, Tanglewood Resort & Conference Center, Pottsboro, TX. Registration fee is $275/per person. The fishing package includes, Friday fishing tournament, dinner on Friday night, door prizes, raffles, Saturday fishing tournament, big bass and heavy stringer trophies and cash prizes with lunch on Saturday. The fishing registration deadline is September 13, 2019.

TLPCA has a room block at Tanglewood Resort. Participants are responsible for reserving their rooms by calling 800-833-6569. Room rates are guaranteed through September 6th.

Fall Weekend sponsorship opportunities are still available and covers both the Annual Clay Shoot and Annual Larry Trusty Memorial Fishing Tournament. Call the Association office at (817) 461-0676 or contact one of the Fall Weekend committee members for any additional information:

Charlie Meador—(214) 631-3200
Randy Newman—(972) 278-5988
Joe Kerlee—(817) 247-7585.

ON-LINE AIA LIBRARY

The TLPCA has always prided ourselves in promoting our industry, and educating architects, building officials, and others. Our newest addition to our industry service is our online AIA library. Currently, we have three courses available for AIA credit, with more to come.

Courses can be accessed from the link on our website tl pca.org, or by going directly to tlpcacourses.com. Our courses are also available in your office using the lunch and learn format. All credits will be reported to AIA by the TLPCA, and certificates of completion are available by request.

For more information, please contact us. Available courses:

TLPCA-01 One Coat Stucco 1LU
TLPCA-02 Healthy Walls = Rainscreen and Ventilation 1LU/HSW
TLPCA-03 EIFS: Solutions for Continuous Insulation and Air Barrier Systems 1LU/HSW

Second Place shooter— Todd Nelson
$500 Bass Pro Shop Gift Card winner— Todd Nelson

Platinum Sponsors plaques presented to Baker Triangle and Texas Stucco Supply
2019 LIFETIME ACHIEVEMENT AWARD

Randy Newman was recognized at the Friday Dinner & Awards Banquet as the 2019 TLPCA Lifetime Achievement Award recipient. Congratulations to Randy Newman.

Upon graduation: 1973—1974 Randy went to work for Joe Carpenter Plastering. 1974—1978 he served in the Military. Upon his military discharge in September 1978, he began his apprenticeship in plastering with Plasterers’ Local # 61. He then went to work as an apprentice for McClain Boggs Plastering. In 1981 Randy received his journeyman card. 1982 he was employed with Triangle Plastering and held positions as foreman and superintendent. During the same time frame, he held office with Plasterers’ Local # 61 as President from 1982—1991. He worked for Triangle Plastering from 1982 through 1991, as well as True Fireproofing.

1992 Randy began employment with James Ray Construction. Soon after, James Ray Construction was closed, and in 1997 the formation of Platinum Wall Systems was introduced in which James Ray, Randy Newman and Bethany Tucci began a company partnership.

2002 James Ray decided to retire, at which time Randy and Bethany formed the partnership and introduction of Silver Star Plastering. Silver Star Plastering is currently a highly successful business serving the DFW area, as well as other cities in the Texas region.

Randy has served on many boards with the TLPCA and Plasterers’ Union, as well as President of TLPCA from 2007—2008, bringing his knowledge and expertise to the construction industry. His company has won many awards over the years, which he is directly responsible for, including the Pinnacle award. Randy has been a member of many associations such as NOCSA, TLPCA, DACA and SMA to name a few. He has also served to help many charities in the DFW area.

Randy has been one of the most knowledgeable and hard working men in the Plastering Industry, and is very deserving of the prestigious Lifetime Achievement Award.

CONVENTION GOLF TOURNAMENT

Forty-eight (48) golfers participated in the annual convention golf tournament at the Grapevine Golf Course, Grapevine, TX. Prizes, trophies and awards were presented to the winners Friday night.

1st Place Team (61) - Brooks Gantt, Zac Griffin, Ricci Woods
2nd Place Team (63) - Chuck Johnson, Kris Storey, Grant Smithwick, Ryan Whiting
